WHAT IS MEMBER PERKS?

Formerly known as *The Chamber Discount Programme*, **Member Perks** has been enhanced to include a more diverse range of benefits for members.

Not only does it encourage members to support local businesses, but it now also provides promotional opportunities and brand exposure across various media platforms.

HOW DOES IT WORK?

FOR YOUR COMPANY

Participation in the Member Perks Programme allows access to a range of benefits such as brand exposure, promotional and marketing opportunities, and the use of Chamber's platforms and resources. Members that agree to offer business to consumer specials or discounts will receive a door decal to alert customers that the Member Perks card is accepted.

FOR YOUR STAFF

Not only is the programme beneficial to your business, but also to your staff. The Chamber provides Member Perks cards for all your staff members*, allowing them to take advantage of offers and discounts, adding to the employment perks at your company. Card holders have access to a wide range of discounts, offers, and exclusive deals from participating businesses.

**The number of cards distributed for your company is based on the size of your business as indicated in your Chamber membership renewal.*

WHY JOIN THE PROGRAMME?

WHY SHOULD I ADVERTISE WITH THE CHAMBER?

The Chamber membership consists of a network of business owners, employers, and other professionals in the business community. As a member, you have the opportunity to tap into this exclusive audience to promote your business and communicate your special offers to like-minded local businesses and employees in the community.

The programme will provide access to some of the Chamber's most attractive assets and communication platforms. To name a few, these assets include an extensive database of contacts, esteemed email marketing publications, established social media platforms, and an exciting new website with improved mobile functionality and digital opportunities.
